RE: Sponsorship request for 2012 Nebraska Annual Planning Conference---in partnership with the Nebraska Planning and Zoning Association (NPZA) Annual Conference and the Nebraska Chapter of the American Planning Association (NE APA) Annual Planning Institute

Greetings..... Partners and Friends of the NPZA and the NE APA membership. Moreover, NPZA and NE APA say thank you for your generous financial support for training local officials through the NPZA conference. The excitement and anticipation builds for the 2012 training sponsored by NPZA and Nebraska Chapter of APA (American Planning Association).

The municipal, county and organization membership of **Nebraska Planning and Zoning Association** (NPZA) asks your help in sponsoring the **2012 Annual Training Conference, March 28-30, 2012--- Grand Island at Holiday Inn Midtown**. Your financial support of this conference helps NPZA bring training to citizen community planners from more than 100 local county and municipal planning commissions.

We expect a turnout of more than 180 persons based on attendance at the 2010 and 2011 conferences. This is a power packed community-planning conference partnered with the Nebraska Chapter of the American Planning Association's Annual Planning Institutes. Several Nebraska planners appointed and professional will provide an abundance of quality training and experiences in community planning. (Refer to the enclosed conference agenda.)

The training event provides the opportunity for Nebraska attorneys to gain education credits for meeting CLE continuing educational credits through MCLE Commission approved courses. The NE Chapter of APA is also submitting training events for certification as credits toward meeting the American Institute of Certified Planners, AICP continued accreditation.

NPZA has established levels of contributions with recognition to the sponsors for:

- Platinum level \$250.** Sponsor is entitled to conference recognition; NPZA registration; advertisement on NPZA website; a one-year membership and a booth at the conference.
- Gold level \$200.** Sponsor is entitled to conference recognition; NPZA registration; advertisement on NPZA website and a booth at the conference.
- Silver level \$150.** Sponsor is entitled to conference recognition and a booth at the conference.
- Bronze level \$100.** Sponsor is entitled to conference recognition.

NPZA looks forward to your financial support in helping us to achieve a successful training event at the annual conference. If you have any questions about the institute or conference or want to reserve a display booth, contact me at 402.471.3757 or fax 402.471.8405 or email at steve.charleston@nebraska.gov.
